Past Noble Grands Hold Dinner and Install officers

At a table decorated in honor of the father of his country with favors reminiscent of cherry trees and patriotic significance of the season, members of the Past Noble Grands' club of the Trio Rebekah lodge sat down to a sumptuous repast Wednesday, Feb. 21.

The club meeting was held at the home of Mrs. Pansy Coll in Torrance with Mrs. Coll, Mrs. Clara Conner, and Mrs. Gertrude Kastrop as hostesses. Chief business of the day was the installation of new officers, Mrs. Marshall Tappin, president; Mrs. Nora Luck, vice-president; Mrs. Christina Ferguson, secretary, and Mrs. Ethel Waite, treasurer.

The outgoing president, Ada Andersen, was installing officer assisted by Mrs. Olea Davis, Mrs. Clara Conner and Mrs. Emma Forsythe. The next meeting will be held March 20 at the home of Mrs. Elizabeth Hunt.

Maude Adams, the actress, made her first stage appearance at the age of nine months when she was carried in the arms of a member of a company appearing at Salt Lake City.

Hair Stylists and Milliners Get Together in Creating Spring Hats

This is a sleek coiffure for the woman who wishes to wear smart hats. It may be combed out softly for evening wear.

About the most welcome women shop for.

News, I can bring women throughout the land is that hair stylists and hat designers have decided to cooperate this spring! So now when you put your head into the hands of a salon-barber you may be assured that he will dress your hair so you will be able to wear the latest bonnets. That is, unless the fellow you choose is so much the individualist that he cannot bear to conform to the agreements of his profession. That will be your hard luck.

Early indications are that spring hats will be small but will hug the shape of the head as they did last spring. In other words the old skull cap will be the key to new designs. Veils, flowers, berries, feathers and material twists will, of course, create the smartness all

That means, your hair will be dressed smoothly over the crown, with curled bangs of high curls, in front and a soft neckline. Because summer is approaching you will find soft loose curls at the nape of the neck, or long hair twisted up in flat sleek rolls. Girls who want to wear long bobs may do so, providing they are under twenty-five and do not mind being hot around the neck!

Condition of Your Hair
You should want your hair to be in the best condition in spring, for summer's activities and sunning is bound to rob it of beauty and health. And please don't make the mistake of rushing to get a new permanent wave if your hair needs reconditioning. You will be a regretful lass for the next six months if you do.

First of all, weekly reconditioning treatments for one month are in order, daily brushings are necessary and a re-shaping of your hair should be done before it is curled and not afterward. If you live in the south and have gone around without a hat, or have swum a lot, your scalp is unusually dry and your hair is likely to be lacking in elasticity. If you live north, the constant wearing of hats, steam heat and lack of sufficient exercise have all conspired to rob your hair of its natural loveliness. So when spring comes determine to bring back the life and beauty of your neglected hair before you get it styled, or before you shop for your Easter bonnet.

Styles for Older Women
One milliner told me that she depends upon the women who are over thirty-five to keep her business alive. "Younger girls like to go without hats, or wear inexpensive models they pick up in department stores, but the woman over thirty-five is hat conscious. For her I design most of my hats, and I find that the sleek coiffures which follow the shape of the head, with fetching sculptured curls clustered where they are needed to flatter the face, are the coiffures which set off hats with a dash. Too youthful hair-dos on the woman past thirty-five, never look smart. They are humorous!"

I shall be glad to help you with your hair problem. Explain it briefly and enclose a self-addressed, stamped (3-cent) envelope for my reply. Address this newspaper. (Reprinted by The Bell Syndicate, Inc.)

Walteria P.T.A. Host to Council

Seventy-five presidents and members of the Lomita-San Pedro Council, P. T. A. were entertained by the Walteria P. T. A. last Thursday. Mrs. S. C. Murray, president of the council, introduced the speaker of the day, Mrs. R. Rollin Brown, president of the Tenth District, who discussed objectives of P. T. A., welfare of children and youth in home, school, church and community.

Other guests introduced were Mrs. W. H. Schroeder president of Narbonne P. T. A.; Mrs. J. L. Abbott, Gateway Council press chairman, and Mrs. L. A. Tanaka, of Walteria. Mrs. Mildred Gouker, president of Walteria P. T. A., presented Mrs. Natalie Ross, principal of Walteria school.

Completely surprised was E. P. Howe chairman of the Fathers' Forum, when he was presented with a life membership pin for he attended the meeting merely as chauffeur for "the Missus."

Mrs. A. E. Genter and Mrs. W. J. Bowers were named on the credentials committee for the Tenth district election in April. Vocal numbers by Miss Donna Berry, who was accompanied by her mother, were enjoyed. In charge of the luncheon were Mrs. Elsie Minor and Mrs. Bowers.

MISPRONUNCIATION IS SOCIAL DISGRACE

YOU'RE not liable to a jail sentence for committing the crime; you won't be fined or even censured by the law; but society, in its own intolerant way, will take care of you. You will receive a penalty more painful than sitting in a jug; you will be banished socially. The crime? Mispronunciation.

"Nothing in all the world is so badly written as mispronunciation," writes Archibald Rutledge in the February Good Housekeeping. "If a speaker fumbles for the right word, we have a fellow sympathy for him; if a writer misspells one, we feel a personal jolt; but when someone mispronounces a word, we are embarrassed by him and for him."

Mispronunciation can be traced directly to one of two reasons: carelessness or ignorance.

Correct pronunciation can be acquired, says Mr. Rutledge, by listening to those who are considered authorities, and by reference to the dictionary when in doubt. Below is a test of twenty words on which "even the fairly well-educated is likely to stumble." Count 5 for each word pronounced correctly. Over 60 is fair. Over 80 is excellent.
